Loxley Court is a safe, friendly and welcoming complex nursing care home in Sheffield, providing the highest-quality nursing care for those living with mental health, complex behaviours which may be triggered by stress or distress and/or dementia needs.

At the heart of our community

Loxley Court is a purpose-built, three-storey home located with easy access to the Northern General Hospital and the vibrant shopping hub of Meadowhall.

Our home is spacious enough for our varied programme of meaningful and stimulating activities and events, with airy communal areas, while maintaining a homely and cosy feel.

Modern facilities

Loxley Court has been recently refurbished and boasts first-class facilities to help support our ladies and gentlemen in a welcoming and friendly home with comfortable communal areas and spacious, fully furnished bedrooms. Spread over three floors and split into 8 hubs, with no more than 8 people living in each, it has a cosy and homely feel. Each floor has accessibility with spaces for quiet reflection, lots of room for activities and events, and lift access for those with impaired mobility.

Loxley Court provides 48 comfortably furnished en-suite bedrooms across three floors, with lift access to ensure accessibility. We encourage all individuals and their families to furnish and decorate their rooms to suit their tastes. We will do everything we can within health and safety guidelines to make their room feel like home.

Our home is a welcoming modern building, with a large communal lounge and dining room on each floor with small, safe, enclosed gardens and patio areas for each hub. There are assisted bathrooms on every hub and a large bright family and activity room on the ground floor. In addition, there is a large dining room on each floor, with facilities for our ladies and gentlemen to retain their independence by being able to make drinks and snacks.

At Loxley Court, we provide person-centred holistic care, treating everyone with dignity, respect, and compassion. Before anyone joins us, we put together detailed, bespoke care support plans with the input of our ladies and gentlemen, or if needed, with family's and professionals' involvement. Our ladies and gentlemen are encouraged to maintain their independence and pursue active, meaningful lives amongst friends.
